

## Profil

### PT. PRIMA USAHA DAYATAMA

PT. PRIMA USAHA DAYATAMA officially launched in 2014, presenting one company solutions for bussines MINING, OIL GAS and INDUSTRY.

Fully experience for special project supply & engineering with valuable support and services. Supported supply for all kind of special project thinks.

Quality products & engineering design and supply as our committed to exceed our customers expectation. Competitive price is realible to inclusive your budget

Stock and Delivery Management will improved our customer request with our motto : Deal and Delivery.

### MAIN COMPONENT SUPPLY

- WATER CANON MAKTECH
- SPRAYER HEAD MAKTECH
- HYDRAULIC VICKERS
- LUBRICATION COMPONENT
- GARTEC - GRACO - SAMOA
- FLOW METER
- SPECIAL PROJECT ENGINEERING

### SPRAY HEAD VALVE

MAKTECH Spray Head Valve common requested for project water truck and we produced bore size ID 3 inch/80mm (maxi valve model M-SH-80) and small one is size ID 1.5 inch/40mm (mini valve model M-SH-40) uniquely designed to disperse water and other fluids with high volume suspended solids in an even and controlled spray pattern

# Supply & Engineering solution for your special project

## HYDRAULIC COMPONENT

Hydraulic component such as Pumps and Accesories we provided to fully support your special project request

Provide also for service kit for all models

Others hydraulic component also available such as Oil Cooler, Directional Control Valve, Oil Filter, and all items.

### Product such as :

- VICKERS
- PARKER
- HYVA

## FLOW METER

Metering as positif displacement meter we provided with many type, model and brand Meet your expectation for transfers Fuel, Oil, Water and special liquid

- LC (liquid control)
- MACNAUGHT / FLOMEC
- TOKICO
- FILLRITE
- OGM

## LUBRICATION COMPONENT GRACO

Our product for lubrication & fluid handling with high quality product lubrication main part such as : Pumps Fire Ball, Diaphragm pump Husky, Hose Reel, Oil Nozzle, Grease Nozzle GRACO mfg. USA

## LUBRICATION COMPONENT GARTEC/ SAMOA

Our product for lubrication & fluid handling with high quality product lubrication main part such as : Pumps, Diaphragm pump, Hose Reel, Control valve, Meter, Distribution, Monitoring system GARTEC Mfg. Italy & SAMOA Mfg. Spain

REELS

METERS

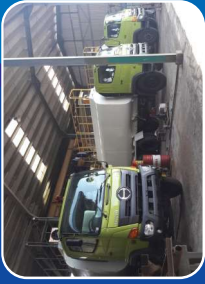

DISTRIBUTION

PUMPS

## SPECIAL PROJECT FABRICATION & ENGINEERING

- LUBE SERVICE TRUCK
- FUEL SERVICE TRUCK
- WATER SERVICE TRUCK
- WASHING /WASH DOWN TRUCK
- LUBE SERVICE ON LV
- LUBE/ FUEL CONTAINER & MODULE
- FUEL TANK / WATER TANK /OIL TANK
- WASHING STATION
- FUEL / OIL FILTRATION
- FABRICATION
- SERVICE TEAM SUPPORT ON SITE
- SPECIAL PROJECT ENGINEERING

**PT. PRIMA USAHA DAYATAMA**
